Our H.Y.P.E. (Helping Young People Employment) Program provides young people with the tools to become productive, responsible and self-determined tax paying members of society.

Our purpose is to assure the success of young people age 16 – 21 in the community by the way of employment training and youth development/prevention services as they prepare for life; Our organizations idea is unique and innovative because we begin by preparing young people for their ***"First Employment Experience"*** and train them to be prepared for the other ***"Big Firsts" in their lives.***

Accomplishments:

- Successfully assist 95% of its student that complete training to secure full & part-time employment.
- Building positive relationships with community leaders and businesses that employs youth.
- Creating programs that assist communities with at risk-youth, lower crime and unemployment.
